

## PACIFIC FORUM ANNOUNCES ITS PARTNERSHIP WITH *ANALYZING WAR*

Pacific Forum is pleased to announce its partnership with *Analyzing War*.

---

*Analyzing War* is an online magazine platform that is published by SWi Analytics, a California limited liability company that is dedicated to advancing knowledge and informed understanding of Indo-Pacific security and order. Their most recent issue (November/December 2021) includes expert commentaries on how great power competition ends in the military, economic, and geopolitical realms:

- *Treasury Bonds and Renewing an Economic Impact* by Alvin Camba, PhD & Louis Pascarella
- *Competition over Cooperation* by Ekaterina Koldunova, PhD
- *Comprehensive Versus Partial Power: Not-so Great Power Competition and its End Destination* by Stephen Nagy, PhD
- *The Russian Navy in the Indo-Pacific* by Joshua Bernard Espeña
- *War Termination Among Nuclear-Armed Powers in a Maritime Context* by LCDR Steven Wills USN (Ret), PhD

Click [here](#) to view the latest issue.

We look forward to sharing the next issue, which will be released in February 2022, and future *Analyzing War* publications with Pacific Forum's readership in the future.
